

Minutes – General Meeting

January 13, 2021

President Renee Tisi called the meeting to order at 7:32 PM. Quorum was established at 7:32 PM. Michelle Grunbaum motioned to accept; Denise Wyers seconded.

Denise Wyers motioned to accept the December 2020 minutes. Michelle Grunbaum seconded.

President's Report

We received a check from Gertrude Hawk for \$472.75 for the fall candy sale. Spring sale will begin online soon and will be posted to Facebook and our website. Room representatives will also share with their class parents.

Treasurer's Report

See attached report for details.

Brain Pop is operating on a temporary account until the full payment is processed, but the account will be active for a full year following that date. Teachers have access now via the temporary account.

Correspondence/Box Tops

\$94.10 received from Box Tops, most of which was earned through the new Box Tops app.

The PTA received several notes of thanks from teachers for the renewal of Brain Pop.

Cheesecake Sale

39 cheesecakes were sold during the December sale, resulting in \$195 profit.

All Other Business

Chrissy Trank raised a Color Street opportunity. A Color Street salesperson is willing to hold a fundraiser for us. She will hold a party as she normally would (primarily through Facebook) and rather than taking a commission herself, the commission would be donated back to the PTA. Chrissy will work with her to execute the party.

Lori Hutchins and Hillary McWhorter are holding a Zoom meeting on Tuesday to generate ideas for an online raffle or Tricky Tray. Anyone who would like to join is welcome. The team is looking into online auction or raffle options. Chrissy Trank will connect with the Township to understand what licensure is

required for an online raffle. Reimbursement requests for catering and facility from the cancelled spring event have been submitted.

Chrissy Trank submitted our raffle license renewal to the state as our current license was due for renewal in December. We are waiting for response from the state and are uncertain of the turnaround time, due to COVID.

Teacher's Report

Mrs. Nami expressed thanks on behalf of the teachers for Brain Pop. The teachers value this resource, particularly in the virtual environment. Thank you to parents for the patience and support during remote learning.

Mrs. Camilleri reported that nearly 18,000 pages have been read in Learning Ally this school year. Teachers are asking whether the PTA could renew our subscription. The cost to renew is \$1599 for the school, which is good for a year. Dan Griffin motioned to renew the subscription, and Chrissy Trank seconded. Mrs. Camilleri will reach out to Treasurer Mike Ticehurst to facilitate payment.

Principal's Report

Hybrid learning resumes next week, and it will proceed with safety precautions in place. Mr. Bookholdt thanked everyone for their support and collaboration. Alexander School's daily attendance and participation is very high and the teachers and Mr. Bookholdt are pleased to see the children logging on every day.

Kindergarten registration will be held differently this year. There will not be specific days, but registration will open online next week and stay open through the summer.

February parent/teacher conferences will be moved to March given that conferences were held in December. The half days that were scheduled those days will also be moved to the new dates.

Renee Tisi adjourned the meeting at 8:02 PM.
